DIPLOMA SUPPLEMENT

This Diploma Supplement follows the model developed by the European Commission, Council of Europe and UNESCO/CEPES. The purpose of the supplement is to provide sufficient independent data to improve the international 'transparency' and fair academic and professional recognition of qualifications (diplomas, degrees, certificates, etc.). It is designed to provide a description of the nature, level, context, content and status of the studies that were pursued and successfully completed by the individual named on the original proof of qualification to which this supplement is appended.

This Diploma Supplement is printed in black ink on paper watermarked with the crest of the University and it carries the official University Stamp. It is not valid unless in this format.

1. INFORMATION IDENTIFYING THE HOLDER OF THE QUALIFICATION

- Family name(s): [REDACTED]
- 1.2 Given name(s): [REDACTED]
- 1.3 Date of birth: [REDACTED]
- 1.4 Student identification numbers
University of Sheffield student registration number: CS26013

2. INFORMATION IDENTIFYING THE QUALIFICATION

- 2.1 Name of the qualification and title conferred: Bachelor of Science with Honours in Computer Science
- 2.2 Main field(s) of study for the qualification: Computer Science
- 2.3 Name and status of awarding institution: The University of Sheffield, a university established by Royal Charter in 1905.
- 2.4 Name and status of institution (if different from 2.3) administering studies: CITY College, An International Faculty of the University of Sheffield
- 2.5 Language(s) of instruction/examination: Teaching and assessment at the University of Sheffield is in English, except for programmes of study involving language studies, where some teaching and assessment is in the relevant language/s.

3. INFORMATION ON THE LEVEL OF THE QUALIFICATION

- 3.1 Level of qualification: Undergraduate programme assigned to level 6 in the Framework for Higher Education Qualifications (see section 8 for further details on UK Higher Education System).
- 3.2 Official length of programme: 3 years
- 3.3 Access requirements: Detailed information regarding admission to the programme is available in the Programme Specification, which may be accessed at <http://www.shef.ac.uk/calendar/>.

4. INFORMATION ON THE CONTENTS AND RESULTS GAINED

- 4.1 Mode of study: Full-Time
- 4.2 Programme requirements: Students must satisfy requirements as specified in the regulations for the programme of study. Full listings of programme regulations, by Faculty, may be accessed at <http://www.shef.ac.uk/calendar/>. This website also contains Programme Specifications, which constitute a statement of the knowledge, understanding and skills which underpin each programme of study.
- 4.3 Programme details (modules or units studied) and individual grades/ marks obtained: See attached transcript.
- 4.4 Grading scheme: Grading schemes for modules are indicated on the transcript. Undergraduate classified degrees are awarded on the basis of grades attained during Years 2, 3 (and 4, where applicable) of a degree programme. The Classification is determined using a formula specified in the University's General Regulations for First Degrees, alongside examiner conventions. The General Regulations may be accessed at <http://www.shef.ac.uk/calendar/>.
- 4.5 Overall classification of the qualification: Honours Class II Division 1

5. INFORMATION ON THE FUNCTION OF THE QUALIFICATION

- 5.1 Access to further study: The attainment of an undergraduate degree may entitle access to studies at postgraduate level.
- 5.2 Professional status (if applicable): The programme of study is accredited by the British Computer Society (BCS)

6. ADDITIONAL INFORMATION

6.1 Additional information:

The programme at CITY College has been formally certified by the University of Sheffield. The formal qualification issued is the same as that which would have been awarded if the course had been followed entirely at the campus of the University of Sheffield in Sheffield and confers the same professional rights in the UK.
