STUDY JAMS

Create your own App and market it!

Google Developers Study Jams is a free series of global, community-run, in-person study groups.

The current Study Jams series is presented in partnership with GDG Thessaloniki and will follow **Udacity Android Development for Beginners** and **Problem Solving with Advanced Analytics** courses. The series will be led by Certified Google Developers Experts and will lead to Udacity Certification.

Where: CITY College, International Faculty of the University of Sheffield
Auditorium (3. L. Sofou st., 5th floor), Thessaloniki

When: Starts 28 April 2017 / 15:00-17:00
Ends 26 May 2017 - Final project presentation | Duration: 4 weeks

Android Development for Beginners

This course is part of the Android Basics Nanodegree by Google. Learn the basics of Android and Java programming, and take the first step on your journey to becoming an Android developer!

Problem Solving with Advanced Analytics

The Problem Solving with Analytics course provides students with the foundational knowledge to use data analytics to create business insights

Organised by:
The Computer Science Department of CITY College, International Faculty of the University of Sheffield in collaboration with GDG Thessaloniki
